Administrative Briefing
Welcome parents and students!

Think about your opportunities

Are we all going to be okay?

You may be:

❏ You are happy that your results meet your expectations;

❏ You are overjoyed that your results exceed your expectations, or;

❏ You are worried/upset because your results fall short of your expectations.

As there are **many pathways and opportunities**, remember that **everyone's learning journey is different** and **we can each have a fulfilling outcome**!

MC
SEC

No matter the circumstances, there is always a way forward.

Stop
- Calm yourself down. Take a few deep breaths.

Think
- Think through the different options that are available for you. Keep things in perspective.
- Remember that the O-Level is one part of your life journey and not the destination.

Do
- Approach a trusted adult and seek his/her help. Have a conversation with this person about what would be best for you.
- Make a decision and take action based on your options.

When you receive your results, you may experience a range of emotions.

Managing these emotions well will allow you to stay calm and make rational decisions.

Reaching out for help is a sign of strength, not weakness.

Is there someone we can speak with?
If you have any concerns or are not coping, reach out to someone you trust and speak with them. It could be a parent/guardian, a teacher, a School Counsellor or a friend that you can talk to.
Help is readily available for you.
Reach out to an ECG Counsellor!

- Consult our **Career Coach, Ms. Leong Sok Har this afternoon (11 Jan)** at the library if you have any queries.

- Book a consultation with our **ECG Counsellor, Mr. Isaac Ang** for **tomorrow, Friday (12 Jan)** using the QR code on the right. (or 15, 16 Jan for online consultation).

- Make an ECG counselling appointment at **ECG Centre @ MOE (Grange Road)** via ECG Hotline: +65 6831 1420 or Email: MOE_ECG@moe.gov.sg

- Additionally, you may approach your **Class Mentors, Year Head and school counsellors** if you need advice.

Supporting Your Friend

We may each experience different emotions upon receiving the results. You can share your friends' joy by congratulating them or give words of encouragement to friends who may be disappointed with their results.

Keep a lookout for your friends in distress. You can support them in the following ways:

2.43 am   63%

How can I support my friend?

Calm them down — 7m
Are you ok? Calm down, take some deep breaths.

Hear them out — 51m
What happened?

Empathise with them — 1h
I would feel sad too if I were you.

Encourage seeking help — 1h
Is there someone you can talk to about this issue?

Refer to a trusted adult — 2h
Teacher, I am worried about my friend.

Keep a lookout for some of these signs in your peers or yourself.

How can we support one another?

D Deliberately avoiding others

I Increased irritability, restlessness, agitation, stress and anxiety

S Sending or posting moody messages on social media

T Talking about death or dying
