GCE O-Level Results
Administrative Briefing
Welcome parents and students!

This set of slides will be posted on the school website later.

MONTFORT
SECONDARY

Montfortians,

As we gather here today, let us all celebrate our efforts!

Finally, we are going to get our results!

MONTFORT
SECONDARY

Think
about your opportunities

Are we all going to be okay?

You may be:
- ❏ You are happy that your results meet your expectations;
- ❏ You are overjoyed that your results exceed your expectations, or;
- ❏ You are worried/upset because your results fall short of your expectations.

As there are **many pathways and opportunities**, remember that **everyone's learning journey is different** and **we can each have a fulfilling outcome**!

No matter the circumstances, there is always a way forward.

Stop
- Calm yourself down. Take a few deep breaths.

Think
- Think through the different options that are available for you. Keep things in perspective.
- Remember that the O-Level is one part of your life journey and not the destination.

Do
- Approach a trusted adult and seek his/her help. Have a conversation with this person about what would be best for you.
- Make a decision and take action based on your options.

When you receive your results, you may experience a range of emotions.

Managing these emotions well will allow you to stay calm and make rational decisions.

# Reaching out for help is a sign of strength, not weakness.

If you have any concerns or are not coping, reach out to someone you trust and speak with them. It could be a parent/guardian, a teacher, a School Counsellor or a friend that you can talk to.

MONTFORT
SECONDARY
# Help is readily available for you.
Reach out to an ECG Counsellor!

- Seek consultation with our **ECG Counsellor, Mr. Isaac Ang** at **6883 6904** or email him at **ang_zhaoliang@moe.edu.sg**

- Additionally, you may approach your **Class Mentors, Year Head and school counsellors** if you need advice.

MONTFORT
SECONDARY
Supporting Your Friend

We may each experience different emotions upon receiving the results. You can share your friends' joy by congratulating them or give words of encouragement to friends who may be disappointed with their results.
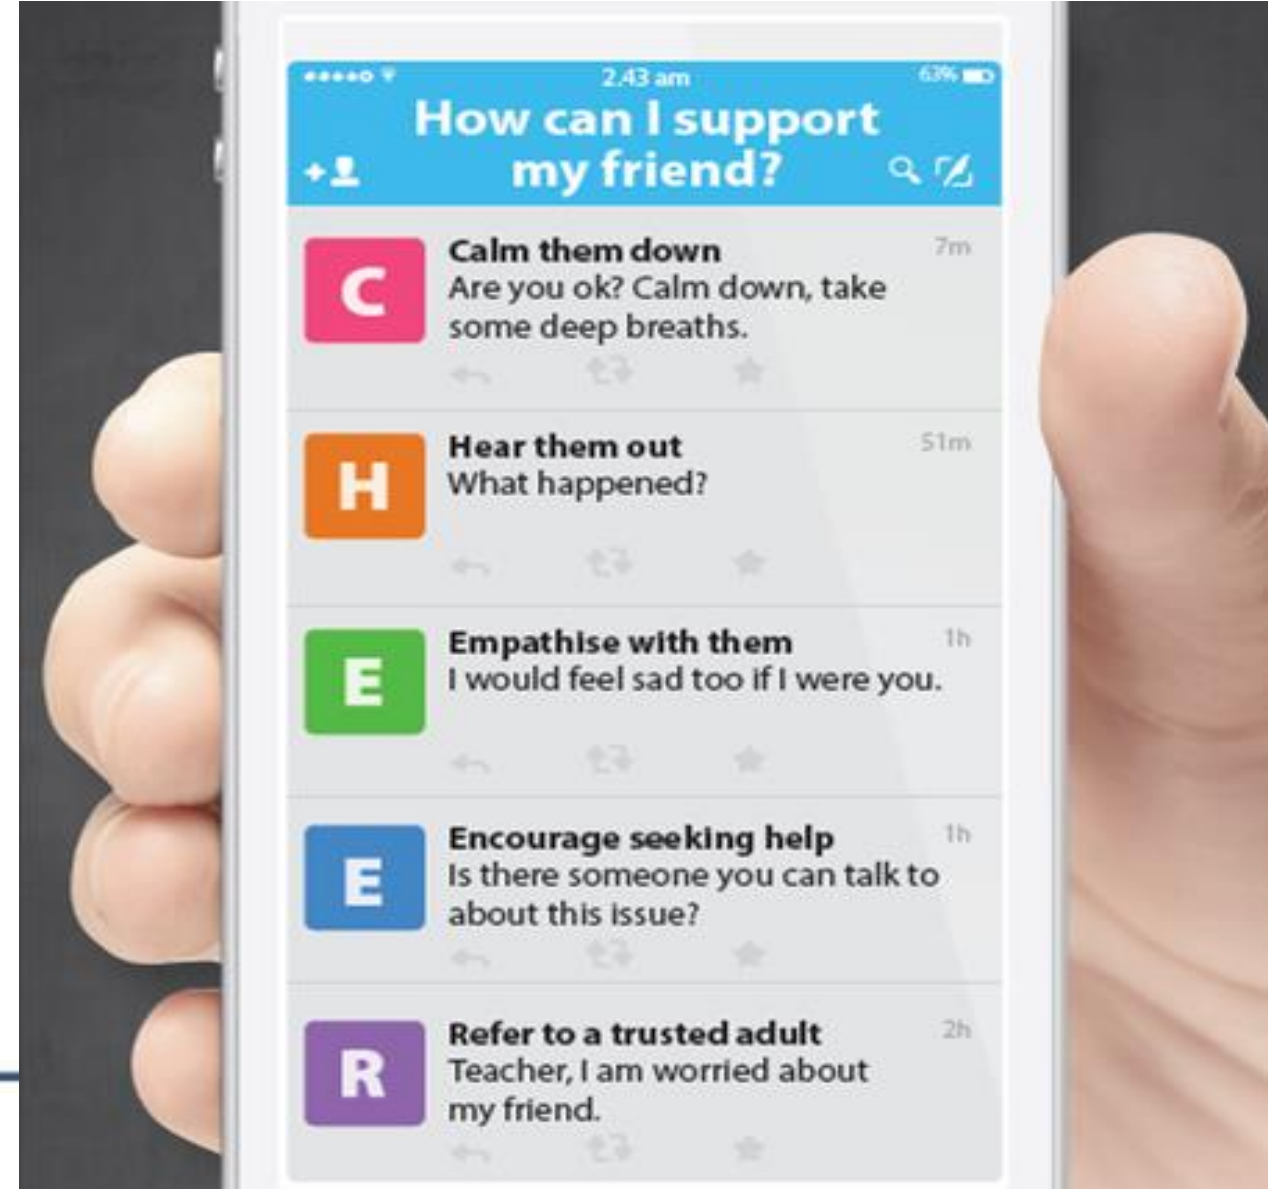

MONTFORT
SECONDARY
